

Manufacturers Identification

CATACHEM, INC.
955 Connecticut Avenue, Suite 4106
Bridgeport, Connecticut, 06607 USA
Ph: (203) 335-9277
Fax: (203) 335-9977
Email: catachem@catacheminc.com

Material Identification And Information

Components: Water, Inorganic metal salts and nonionic surfactant.

Physical /Chemical Characteristics

ph: 3-5

Boiling Point: N/A

Specific Gravity: N/A

Appearance and Odor: Clear blue color liquid.

Fire And Explosion Hazard Data

Extinguishing Media: Dry chemical, CO₂, water spray or foam.

Special Fire Fighting Procedures: Not considered to be a fire hazard.

Unusual Fire and Explosion Hazards: Not considered to be an explosion hazard. Hazardous polymerization will not occur.

Reactivity Hazard Data

Stability: Stable

Incompatibility (Materials to Avoid): Strong oxidizing agents.

Hazardous Decomposition Products: Decomposition may release toxic oxides of carbon.

Health Hazard Data

Effects of Overexposure: May cause irritation if inhaled, ingested or absorbed into skin.

First Aid Procedures: In case of contact with skin or eyes, remove contaminated clothing and shoes. Wash affected area with copious amounts of water. Assure adequate flushing of eyes by separating eyelids with fingers. Call a physician. If inhaled, remove to fresh air. If ingested drink large amounts of water or milk. Call a physician.

Emergency First Aid Procedures: Seek medical assistance for further treatment, observation and support if necessary.

Control And Protective Measures

Eye Protection: protective glasses

Protective Gloves: rubber or latex

Ventilation to be used: local exhaust

Other Protective Clothing and Equipment: lab coat, mask

Precautions For Safe Handling And Use/Spill/Leak Procedures

If Material is Spilled or Released: Absorb using dry sand or any suitable absorbent. Do not flush into sewer.

Waste Disposal Methods: Dispose waste according to local, state and federal regulation.

Precautions for Handling and Storage: Store at room temperature (18-26 °C), wash well after handling.

The above information is believed to be correct, but does not purport to be all inclusive and shall be used only as a guide. Catachem shall not be held liable for any damage resulting from handling or from contact with the above product. For technical assistance please call: 203-335-9277.
